GOOD ALWAYS

This order arrived as ordered. I don't believe we are missing any of the books ordered, the first in months of ordering.The books were clean and rather nice. Some of the books in past orders needed a Lysol wipe to use them!

Very good book. I learned alot easier on this book.

I had to buy this textbook for my nursing assistant class. I assumes you know nothing and proceeds to tell you everything you need to know about being a nursing assistant. It is a great resource!

I used this. My students liked it compared to other CNA books Easy to use, easy to understand. Organized sections, Chapter questions are great. Will definitely use this in my next class.

Very well written and easy to understand.

Very concise and easy to read text. I have been reading this text and doing homework in the companion workbook for the CNA program I will take in 2 weeks.

The book looked like new and arrived earlier than the expected date. I will definately buy from here again. The description was exactly, if not more than what was listed. I am very pleased.
