This is a compilation of more real success stories from Mercy House Ministry but will break your heart to realize what these young girls went through before God brought them there. Wonderful book

This book has remarkable and incredible stories of girls whose lives were shambles and the Power that saved them. Unbelievable!I was very moved and shaken by the depths of despair and the

awesomeness of God!It certainly sheds light on the scripture from John that says that "the enemy comes to steal, kill and destroy; but that God has come to give us life in abundance." This book clearly shines a light on the goodness of God and the victory through his Son, Jesus!

Beautiful, wonderful book. Very well written, easy to read. Each chapter represents a different girl, a different kind of situation in which God gave his love, his mercy.
