Nice guidebook if you have only 4-6 days to visit Singapore. I had 11 days there so I needed more information than this one provided. Lots of text and not so many pictures in my opinion.In Singapore you will need to use smartphone to make sure you are getting off at the right bus stop. Bus drivers there do not announce each bus stop names and there is no digital panel inside the bus neither so a guidebook like this one is pretty useless. If not you might end up having to ask bus drivers to inform you when the bus arrives to the destination. Most of them are very unfriendly to tourists and some of them don’t even speak English, so be prepared.

Loved this travel book--probably one of the best I’ve got in my travel "library." Good balance of photos and helpful information. Nice size to take with us, including maps of both streets and transit options.

Very thorough- would have liked a larger print

Very helpful in planning our visit to Singapore, perfect size to carry with us.

Great guide with very handy maps. Concise and easy to use.

Whenever we go anywhere, the first thing we do is check to see if Fodor’s has a "25 Best" for that place.

Fast shipping, recommended!

Worked well in our recent visit.
