Marc Chagall (1887-1985) was born in Vitebsk, Belarus, and lived in France for much of his life. One of the most celebrated artists of the twentieth century, his work is included in museum collections around the world.

The book is small but makes it easy to travel with

Illustrated partial OT

Creative and vivid pictures, liked the thickness of the pages too

I’m not well qualified to critique the word of God so I’ll limit my comments to the illustrations. Many of the illustrations are small segments cut out of larger works of art. It is difficult to appreciate the wonderful paintings of Chagall when you only see 5% of a painting. Otherwise this is a beautiful little book.

Great product, thank you!

Beautiful book. How could it not be beautiful if it’s Chagall? I’d love it if it were larger, but gorgeous as it is.

A lovely book.

Thank you fast shipping. I love the status of the item.
