Synopsis

Book 1 of the Harbinger of Doom series is now available in Audiobook format: ASIN: B01KB9UHC0Dwellers of the Deep embraces the pulse-pounding action that the Harbinger of Doom Saga is known for, with battles so real, so immersive, you will find yourself reaching for your sword. Expansive in scope, Dwellers transforms the Saga into truly epic fantasy, and drops the reader into the Byzantine web of political intrigue that swirls about the Kingdom of Lomion. In Glenn G. ThaterÃ¢â ¬â„¢s world of Midgaard, some kill for love or honor; others die for blood and souls. In Dwellers of the Deep, the fourth volume of the saga unfolds across a vast ocean of bleak expanses and forbidden islands that harbor secrets best unspoken, ancient magics best left buried, voracious monsters of the gelid depths, and a god of the outer spheres whose wrath will shake the very foundations of Midgaard. Within these pages, heroes and villains abound. But are the heroes those that quest with Theta to keep shuttered the portal betwixt the worlds, or those that sail with Korrgonn for god and glory, to restore AzathothÃ¢â ¬â„¢s reign? Only you can decide. But in the end, Ob will tell you, evil is as evil does, and in Midgaard, only one thing is certainÃ¢â ¬â •nothing is as it seems.BOOKS BY GLENN G. Mr. Thater knows how to weave a good action book. The characters are fuuly described and well presented. Well done Glenn. Going to look for book 5.....

I have read each book in the series and each book keeps getting better. As the story develops and the plot takes its various twist Glenn continues to weave an exciting tale that you can’t wait to see what happens next. The action is non-stop and keeps you on the edge of your seat.This is a great book and part of a great series. I can’t wait for the the next one. I highly recommend this book.

This is a very interesting Fantasy series, not recommended for very religious individuals as they may take offense to the basic concept.The god in the story is a very stern, unforgiving deity and some of the gods’ servants have revolted in favor of humanity.The story line, though placed in a Norse environment is Judeo-Christian, in texture.

Well written and creative. I am especially intrigued by the character Theta and I'm anxious to see who he really is.

Anyone looking to get strait into a good series this is the one that will pull you in quick and keep on delivering harbinger of doom series is crazy good

Nice set of books, it flows and moves right a long. and keeps you heading to the end, with out being strung out.

Fast moving plots through all the books of this series. Great adventure. Very likable and easy to follow characters. Interesting style that makes you feel for the bad guys too. And using some Lovecraft creations is always a win for me. Highly recommended.
