Excellent for driving through Tuscany and Umbria. Unfortunately I ordered 2 copies and paid for 2 and did not receive my copy from Colorado Goodwill. I can’t find the paper work.

Very good

The Frommer Travel series books are always a great buy even at full price. I always check with .com when I want to purchase books and maps and I found a great discount on the Frommer Tuscany & Umbria Driving book.It’s exactly what I wanted and at a great price.

This was a great companion book with the Steves book on Tuscany. Each had its strengths. I liked that it included Umbria, since I was also visiting towns in that part of Italy.
