Customer Reviews

The Larousse editorial team includes many language and reference experts based in countries around the world. In this way the linguistic team keeps its finger on the pulse of living languages as spoken by the native-language speakers of these countries.

If you like to travel light while sightseeing, this is not the book for you. This is not a pocket dictionary!

With the size of 4.25 x 7 x 1.5 in. thick, it would be impossible to carry. Easy to read with good spacing but better-suited to a desk.

I ordered the Larouse dictionary because I need one for travel and to keep next to my computer. This Larouse dictionary is small enough for travel or next to my desk computer. Most importantly, it has a comprehensive selection of words, clear definitions, and includes Brazilian Portuguese vocabulary. I have had good results with Larouse French and Spanish dictionaries, and this Portuguese dictionary is no exception.

If your someone who is beggining to learn Italian, this is a good dictionary for you to use. it contained some verb tables and other charts for numbers, months, etc, something many dictionaries lack. Being at an intermediate level of Italian, it wasn't the absolute best to use, but that's why I also bought 501 Italian Verbs to accompany the dictionary, and any seperate book in Italian for practice in using the dictionary would also be smart to buy.

This is a hardcover Larousse dictionary, and it appears to include everythingI will need as a reference for French-English translations and writing.Book is hardcover, which is good, since the book is lengthy and will hold up better.My old dictionary was from 1997, so I am glad to get a more current one.

NOT POCKET SIZE unless your pockets are Very Very Large - full size paperback book. ReBBBB

Just as a warning for persons purchasing a "pocket" dictionary for travel.This is not a dictionary that would fit into a "pocket" unless you had a backpack.It is 7 inches high, 4 inches long and 1.5 inches thick. It may not be a full size dictionary but this was too large to be kind of dictionary that I need to travel with me in my pocket.Other than the size, it appears to be a good product.

I love this dictionary. It has just about everything you can think of. The only drawback is that it is a little heavy and bulky, so really does not qualify as a pocket dictionary unless you're a kangaroo.

I thought this would be small enough to fit easily into a belt bag for on the go reference. Not so, it is the size & thickness of a regular paperback book taking up too much room. Good for use at home but clumsy for on the move usage.
