"Culture Smart has come to the rescue of hapless travellers." Ã¢â ¬â •Sunday Times TravelÃ Â "The perfect introduction to the weird, wonderful and downright odd quirks and customs of various countries." Ã¢â ¬â •Global Travel

Useful! Pithy! Reassuring! Every country and culture should come with such a useful little handbook. I feel much more comfortable about my visit later this year to this land previously utterly unknown to

me. Bravo.

It’s an OK book. Not very thorough; I was expecting a little more about customs and true Armenian culture.

This is a brief account of Armenia. But it covers all the bases without belaboring them. Would recommend this book.

I highly recommended this book to anyone traveling to Armenia. It provides very good information and is very easy to read.

This book is packed full of interesting facts and customs. This is proably the 10th ones of these I have bought as I give them out as presents since I like it so much myself.

Not worth the money, even if it were free!
