With its perfectly preserved medieval buildings and ancient cobblestone streets, Antwerp might seem content to rest on historic laurels. In fact, Belgium's second-largest city is a vibrant, cosmopolitan place where avant-garde fashion, cutting-edge architecture and progressive cuisine flourish. (New York Post)

Derek Blyth is a writer and journalist who has lived in Belgium for more than 20 years.

The maps of Antwerp neighborhoods showing where to find the Top 5 places listed are so small that they are unusable. Not worth the money.

This is a series of 100 "5 Best" lists, like 5 Best Bakeries, 5 Most Romantic Cafes, 5 Most Impressive Views, and 5 Strangest Waterfront Locations. This definitely will not replace the utility of a standard guide book or cover the top tourist sites. This book is a great supplement, though if you’re looking to take a step or two off the beaten path.
