I’m giving this 5 stars because it is everything it claims to be. But my son got two joke books at Christmas: this and "Laugh out Loud Jokes for Kids" by Rob Elliott. At 7 years old, my son likes this book, but prefers Elliott’s book to this one because this one contains a lot of things he doesn’t understand. In a year or two, he’ll likely prefer this one, as it has much more content and far more variety, but if you’re considering which of these to buy, perhaps a 9-10 year-old would prefer this, but a 7 or 8 year-old might prefer something a little simpler.

Bought this for my 7 year old for xmas. He loves jokes and riddles, and thusly this book. Some of it was corny or mistyped, but all in all it was good for a young kid. I don’t know if I’d recommend it for kids much older though.

It would be difficult to picture a child who could not find an interesting page within this book. Not every page would appeal to every child but the variety of the items could entertain any child. Alvena Stanfield

Loved these kinds of books as a child & pre-teen. This was purchased as a uni-sex gift donation for the local children’s hospital. It is a great book to pass long hours of laying & sitting around for days on end.

This book is a TON of fun! It has everything it says and will keep a kid entertained for a long, long time. It is age appropriate. I bought this for my 7 year old nephew for his birthday. He may not be ready for all of it, but there was a lot that still interests him and he’s been joking away with all of us. It’s been fun for everyone!

I bought it for a birthday gift and it was a hit. All the kids took turns reading the jokes and the other projects that are suggested were greatly anticipated for when thay got home. I was happily suprised when it arrived. The arrival was swift and packaging good.

It’s hard to get her to read, but she wouldn’t put this down, reading it aloud to anyone who would listen, and a few who didn’t.

My students love this book. This is so appropriate for children and also super cute and funny.
