Some funny stuff here. Gave it as a Christmas gift. Yes, it was a jab at people who shop Walmart (and yes, I am one of them) but I would have laughed at the photos no matter what store they would have come out of. The cynical side of me wondered if, and how many were engineered.

We get this calendar every year. It is unbelievable what some people will wear and think it looks

good. Hilarious outfits and sometimes lack of enough. Always done tastefully but it gives myself and my husband laughs first thing in the morning. What better way to start the day.

I gave this to my 30 something year old brother. He loves it. It’s a "day by day" calendar that he can rip off to a new page every day. He gets a laugh every morning.

this is the best daily calendar i’ve ever bought. all these are not only funny pictures in color, but they have a funny caption with them. these are a hit at my job. will definitely purchase again next year.

this is the best way to raise your spirits daily and remind yourself you are probably in the normal group still.....unless you are looking for your own picture in there, and in that case, i have no words for you!

If only the color commentaries did the pictures justice. The pictures could be MUCH more funny if the right wording went with them. Oh well, still a funny daily detailing the horrors that are Walmart patrons!

I am embarrassed to say I bought this. I am embarrassed to say I looked through it before sending it on as a gift. I am embarrassed to say I laughed. And laughed, and laughed, and laughed.

I got this as a gift for my 21year old grandson. He couldn’t believe they made a calendar! It was great.
