I love page-a-day calendars, but have not had great success getting others hooked on them. (As

addictions go, this one is pretty benign.)We're in early days yet, but this one looks promising. It was a Christmas present for a person known for extreme interest in sporting stats, facts, and figures. Unlike prior presents along these lines, the pages have been removed daily so far, and I have been quizzed on some of the content.It's clear some pages have more interesting data and more recognizable birthdays, but what would be the point of a calendar entirely consisting of trivia you already know? For the right person, this thing is great.

Arrived on time, item expected.

A birthday gift for my grandson.

We buy this every year and enjoy it every day.

Awesome desk calendar for that baseball trivia expert in your life.

The birthdays are good but he trivia questions aren't at all

great baseball trivia calendar...fast shipping...thank you!
