Synopsis

John Habib came back to the faith of his youth in young adulthood after reading an afterlife story handwritten by an Egyptian Christian monk. This book is the culmination of over fifteen years of research on a quest to arrive at what the Orthodox Christian understanding of the afterlife really is. After incorporating the guidance of several Orthodox scholars and theologians, this book gathers together a plethora of afterlife experiences of Orthodox Christians from all over the world, spanning 2,000 years of Christian history.Ã Â The reader is taken on a journey from the moment of death to crossing over into the next existence, witnessing the afterlife through the eyes of others who beheld it and were able to tell us their stories. Each aspect of the afterlife presented in the book is grounded first on the Holy Bible, and then an array of early Christian writings is presented to provide a foundation upon which the reader may understand the experiences presented.Ã Â The remarkable feature of this book, as one endorser put it, is that all the experiences "are remarkably consistent.... Far from speculative-they suggest an underlying and almost overwhelming unity with both Scripture and the Church Fathers."Ã Â This book delves into a treasure trove of Orthodox history to seek out answers to questions such as the following (and much more):Ã Â What is death and what does it feel like to die?Ã Â What will our spirits look like?Ã Â What will we see immediately after death?Ã Â What is the experience after death? Is it a journey, or do we directly find ourselves in some other place?Ã Â What is Hades like? Is it really a fiery torment? Is everyone punished the same?Ã Â What is Paradise like? How does it look? What does it feel like being there?Ã Â What happens to infants after they die?Ã Â Will we see God in heaven? Will we see the Father? The Son? The Holy Spirit?Ã Â What will we do in the afterlife? Will it be enjoyable?

"In these days of moral relativismÃ¢â ¬Ë†. . .Ã¢â ¬Ë†a much needed antidote to the lethal error that there is nothing to fear after death for anyone. . . . A treasure trove of our Tradition." --Fr. Lawrence Farley (Archpriest, Orthodox Church in America; author, "Orthodox Bible Study Companion" series)"Impressive! It will open your eyes--as it did mine--to a whole new level of understanding of what life after death will be like."Ã Â --Fr. Anthony Messeh (Priest, Coptic Orthodox Church)"In this refreshing study we find that a surprising and startling picture emerges: the afterlife . . . 'experiences' . . . are remarkably consistent. . . . Far from speculative--they suggest an underlying and almost overwhelming unity with both Scripture and the Church Fathers."Ã Â --Fr. This book is well written. The information presented is well documented and supported with references and explanations. Habib presents a thorough discussion of the teaching and understanding of afterlife from an Orthodox perspective. This understanding is taken from the early Church Fathers as well as numerous accounts of afterlife experiences by Orthodox Christians across various families of Orthodox churches and from both ancient as well as recent accounts. This is the first book of its kind from a Coptic author that deals with this topic that is presented in English.The understandings provided in this book should be a must-read for every Coptic Orthodox Christian and they should have this book among the fundamental books in their personal library.

A wonderful book. The book is scholarly written by a Coptic Author. It does turn our attention to heaven and the afterlife from a Christian perspective.

A great read to inspire the youth of our time to think of the importance of life.

The book came as i had excepted it!

Thought-provoking and fully Orthodox overview of the deep questions post-mortem. Hard to put down!

Excellent and well written book by a great Orthodox writer.

I received this book today, the shipping was quick. I started reading it and can't put it down. It is very interesting and detailed. I love the stories in it.Thank you!

John Habib has given us a gift of great value. Every Christian who thinks he or she can believe in Christ yet not strive to live a life full of virtues needs to read this book from cover to cover. It has convinced me and changed my previous belief that being a Christian was sufficient to enter into Christ's Kingdom. There are many of us who are Christians in name only and postpone any serious effort to grow in the Christian life. This book is a strong, wake up call. Do yourself a favor and read this book.
