Customer Reviews

This word search book is a big book, probably the height of a 12 inch ruler it looks to be. I'll looked through it and it's definitely awesome to me. Everything in the book has long words that are either common, uncommon or rarely used words so it will be an intriguing experience for sure. Its very worth the money spent. To bring it with you will add like a few pounds of weight to carry, but otherwise you can still travel with it if you decide.

I bought this book for my mother who loves to do word search books. It is huge and it keeps her

busy.
