Customer Reviews

Sexual content: a couple of kissesLanugage: no profanity that I recallI read my kindle while I

exercise and I prefer romantic comedies, novelas and short stories are best, to dull the pain. I enjoyed the pacing and some fun dialogue in this book. I thought the main character was painfully annoying, but that doesn't mean anything was poorly written. I also don't like cooked carrots or Mexican food. That doesn't make those things bad. I liked the novela. It was perfect to exercise to. As soon as I finished I bought another novela from this author. I would recommend it to anyone interested in fun YA Contemporary Romantic Comedy Novela Length.

The Best Week of My Life is a fun, quick-read novel. Daphne Merrill is on vacation & fell in front of her crush, Carter Pruitt. Daphne feels so embarrassed and feels like this is the worst day of her life. Once she finds out Carter is going to be on vacation with her and in the same hotel, she realizes that her vacation may turn out to be better what she expected. Maybe even the best week of her life.I LOVE this novel. It's so cute. Carter is sweet & sensitive. His situation is sooo sad and is the main reason why he's scared to fall in love. I liked that Suzanne D. Williams (once again) mentioned how important it is to wait until you're married to have sex (no the book isn't religious). This is a perfect novel to read on a day at the beach (since the book took place at the beach). EXCELLENT Suzanne D. Williams!

I love Daphne and all her flaws. I laughed when she fell in front of Carter. Reminded me of how I met my boyfriend, when I was riding my cousins Razor scooter down the hill and I fell right in front of this garage that was full of boys. Of course they all laughed, but one of them was at least nice enough to ask if I was okay and even walked me home. Honest to chocolate cake that's how I met him. I want the story to continue but I'm happy where the story ends. My favorite part was when the other girls were shocked that Carter and Daphne were an item. Then Carter comes and proves just how crazy he is about her by kissing her, I want to be kissed like that. Maybe I can get my husband to agree and kiss me like that. Haha.

I can read it over and over and over again without getting bored. I will read it over and over and over again until I know every word by heart without getting bored. It is the best book ever and I recommend it to everyone in the world!!!!!!

This is definitely a feel good romance. I more than loved it. So yes get this book it's a definitely must read. It brings out hope for us teens or even adults. Love has no age.
