Synopsis

When we think about Tibet, we are often taken back to the stories of the search for Shangri La. We are beguiled by stories of men and women who spend their entire lives in meditation in hopes to achieve liberation from the ties that bind us here on this earth. We are further in awe of those stories of the great mystics who , though Tibetan rituals develop supernatural powers. All these stories have elements of truth in them. Rumors of this nature are often unconfirmed facts as it were. Tibetan Buddhism, is fascinating, it is by far the most mystical and most complex form of Buddhism throughout the spectrum of Buddhist sects. Most in popular culture associate it mostly with the Dalai Lama, the spiritual leader of Tibet. However, there is so much more to it, so much in fact that no single volume could ever capture the magic and the wonder of this great tradition. Like most eastern traditions, Tibetan Buddhism has a rich tradition of mantra chanting and magick. Some of the rituals are so elaborate it can often intimidate the mind of those with entrenched western sensibilities. A good way to pierce the mystery is to work with the mantras of this great tradition.In this book, we will perform 7 rituals using Tibetan Mantras. You will learn the mantras for the following:To develop compassion AND confidenceTo attain material wealthTo erase all the negative karma produce by black magick in your life.To gain clarity of mindTo gain longevityTo gain spiritual as well as earthly wisdomTo heal any physical ills you may have.

Customer Reviews

Magick, well these mantra's aren't really magic but at least all of the mantra's are correct. If you want to hear how they are pronounced go to you tube, or better yet listen to "The Gyuto Monks of Tibet & Deva Premal and on Deva's website you can even download a free PDF of the mantra's in album and their associations.

Always a great read, easy to understand and these Mantras WORK!

I enjoy all his books,some more than others.

Tibetan mantras are powerful! I started out my tibetan mantra in 2014, when I wanted to get rid all of the slashes of bitchy people that I had met over the course of the day and absorbing their negativities. My body respond to being bloated, heartburn or mostly having unbearable headaches the entire day! So when I started my mantra, chanting it always in my mind. I could feel my body started to shift into a wall of protection. So when I met a very negative individual, it will actually shift their rudeness into a positive attitude.
