Synopsis

With the rise of technology, how people communicate has changed. People are rarely without a phone and are able to communicate within seconds. Unfortunately, for many teens, this carries complications. Readers explore some of this modern technology and are provided with a guide to navigating texts and the Internet safely, from avoiding misunderstanding to larger legal issues that can arise from careless texting.

Customer Reviews

Starred Review The Teen Life series offers informative, well-designed, and thoughtful books about some of the most pressing issues on kidsÃ¢â ¬â„¢ minds. Texting, Sexting, and Flaming covers some of the same ground about slander and libel as Slander and Libel, yet remains a thorough and often eye-opening title about the pitfalls of modern-day communication. It warns readers that texts are never really deleted, and minors can be held liable for sharing photos of other minors. Each volume contains sections of Ã¢â ¬Å“Ten Great Questions to AskÃ¢â ¬Â• as well as pages of myths versus facts. Easy to read with a fresh design, these books will help and inform a wide audience. Grades 7-10. --Ilene Cooper
