Synopsis

The Aliens are Here!...and they want US to breed. Well, some of us!Damian has been over his head for a while now. He’s unemployed and his new girlfriend is an alien. His lover, Vanessa, is pretty understanding, fortunately! The alien spaceship that has been orbiting the Earth has also selected him for their breeding program!Ã Â The world doesn’t know what they’re here for, but they soon will.Ã Â Every woman on the planet has been infected with a virus, making them HOT, willing, and EAGER to please the lucky few men who hold a specific genetic marker!Join Damian as his adventures continue through all SEVEN hot books of this epic series, both on Earth, and on the alien mothership! Will he be prepared, even as the rest of the world’s demanding hotties want more than just his love in their fertile, unprotected bodies?Can Damian defeat the queen and her telepathic sexual prowess? He’s got the moves, now he just needs to avoid the anal probes! Find out in this EPIC COMPLETE SERIES from the author of The Hookup App and Hacking the HipChip!SEX-ACTION-STORY-TABOO: EROTICA FOR MEN!

Customer Reviews

A adult read for people who are in to the series recommend highly can’t wait for the next one of the series a very good read but quick have to read more from this author

Although its with aliens, this book had it all, fantasy, love, hate, and lots of sex! It really makes my fantasies kind of lame. I loved it!
