Customer Reviews

I enjoyed everything about this love story. The past they shared was hard but they overcome it.

Learning he has always wanted her was beautiful. Their love was amazing.

This woman know how to write I love her books old new doesn’t matter which it is she’s always fast worth new material and I will buy any and all of her books she is amazingly talented

Sweet, funny, sexy.....I loved it!!

Five stars plus! This is a super sweet romantic read that I loved every word of! Even if you are not a fan of shifter reads do not let that deter you as these two lovable characters didn’t shift or leave their wolves to figure things out. And there wasn’t any additional characters to cause distractions either this lovable story is all about the Hero Drake and the Heroine Kelly. After years of believing they actually hated the other or that the other hated them these two beautiful souls are brought together to live for a year on an island that only holds the two of them. During this time they need to iron out their differences, fall in love, build a bond and mate for life and beyond. At first both are uneasy with the situation until they realise that they are exactly where they are supposed to be and with exactly who they are meant to be with. This super sweet and sexy read was perfection from start to finish I didn’t want it to end! At first Drake is not the most likable character but before long just like Kelly we are falling for him as he proves to his mate Kelly and to us that he is one of the most romantic and lovable guys you will ever meet. Totally swoon worthy! I really do recommend this book and would definitely read it again I loved it that much and I have no doubts you will too! Happy Reading!

I Voluntarily reviewed a copy of this bookDrake was an complete ass to Kelly. He called her names and just pushed all her buttons. But then they were picked by the pack elders to go on the mating ritual. Stuck on an island with her biggest enemy what is she going to do.Drake has done everything to push Kelly away. But now he is stuck with her on this island and he has been hiding a secret. A secret that he has been attracted to her and she is the only one that he wants. Now all he needs to do is convince Kelly that he wants this mating and he wants her.Loved it, quick, steamy safe shifter read that will have you wanting to slap Drake and then going #sigh when he pulls out all the stops to get his mate.

It’s a great shifter romance for a quick read. Especially for safety lovers. It has no dramas, no ow/om and both h and H are virgins. You may want to kick Drakes a$$, tough. But only for a second or two. It’s because we are told how he was a d*** towards Kelly and just because he was sick of his

parents talking about him and Kelly being toghter, even though Drake had feelings for her. It was actually very silly of him. Fighting against his dreams. Then I guess, lucky for him elders took it in their own hands. Otherwise who knows when Drake would have pulled his head of his a$$, if ever. And after he was forced to pull it out, Drake was really likeable hero. Possessive and protective. He for sure will make Kelly really happy girl.

This book was an OK read but really dragged through most of it and the background of the story wasn't really plausible- hero is mean to heroine and says really mean things to her for her entire life and then we are supposed to believe he has been secretly in love with her his whole life- yeah not buying it. Sam Crescent has some really amazing books, this just isn't one of them.

Virgin Lovers is a such a delight to read. Sassy Kelly gives as good as she takes from the hateful but sexy Drake. Destined to be mated their story is very hotÃƒÂ Ã Å¸Ã â•Ã Â¥ÃƒÂ Ã Å¸Ã â•Ã Â¥ÃƒÂ Ã Å¸Ã â•Ã Â¥ It also had me laughing throughout the book. What attitudes !! Lol !! An extremely wonderful read gifted to us by the extremely talented Sam CrescentÃƒÂ Ã Å¸Ã â™Ã Å“ÃƒÂ Ã Å¸Ã â™Ã Å“
