Colin Murphy is the author of The Most Famous Irish People You've Never Heard Of and co-author of the bestselling 'Feckin' collection (The O'Brien Press). His debut historical novel Boycott (Brandon) was published in 2012 to great acclaim. Donal O'Dea is a senior Art Director at one of Ireland's leading advertising agencies.

This was the best book for visiting Dublin! I spent a semester abroad there and went to all 20 places recommended in this book plus more. I agree that these 20 are the most important things to see in Dublin. I took this book along every time I went sightseeing in Dublin because the author has great

recommendations for what to focus on at each site and he also has walking tours in the book. The best part of this book though was that the author was hilarious. He goes over Irish history without making it boring. I had friends asking to borrow this book while I was abroad to take their family's on tours!

I read most of the book on the Kindle on my flight from California to Dublin. It cracked me up. The authors' Irish expressions are so colorful that it's impossible to read the book without hearing an Irish accent in your head. There's even a glossary to explain any unfamiliar terms (my favorite is "eejit"). I didn't have enough time to do 20 things in Dublin, but the things I did do were all described in this book, in highly amusing fashion. Highly recommended.

A friend and I are going on vacation to Dublin and so I started looking for a good book on the city. I often buy such books before traveling to a city and so many are a yawn to read. They may give good information, but you have to stay awake to get through them. This was a welcome change, I found myself laughing out loud a few times. Definitely not a run of the mill travel book.

Great resource for planning a stay in Dublin. Loved it for the info and the humor. Definitely my favorite!

Bought this for my college-age son. It's both funny and informative and is written, very much like the title suggests, from the perspective that there is far more to do in Dublin than drink. So do those things, (and then drink.) The section on Irish slang is fun too. Highly recommend!

This was the perfect guide to the sites for a 3 day trip.

We used it to great effect on a self-guided tour of Dublin. Humorous and bit cheeky, but chock full of good information.

Working man's guide, well written and fun
