Synopsis

Raven is cunning, aggressive and whip-smartÃ¢â ¬â •sheÃ¢â ¬â„¢s had to be to survive. She was taken in at a young age by the boss of a car-theft ring, who rescued her from a life of hell. For too long sheÃ¢â ¬â„¢s believed she owes him everything and used her uncanny urban climbing skills to train young recruits for what she believes are victimless crimes. Until Raven discovers that his compassion for the kids he wrangles into the ring is just a front, and they are all merely tools of his trade, nothing more. When heÃ¢â ¬â„¢s responsible for the death of RavenÃ¢â ¬â„¢s young Ã¢â ¬Å“apprentice,Ã¢â ¬Â• she finally sees him for what he really isÃ¢â ¬â •and sets out to bring him down. Part of RETRIBUTIONÃ¢â ¬â •a high-interest trilogy that can be read in any order.

Customer Reviews

Ã¢â ¬Å“As a book blogger and with a love of books, I read ALL the time. So when you find something thatÃ¢â ¬â„¢s different for you and enjoyable, itÃ¢â ¬â„¢s kind of like finding a rare gem. ItÃ¢â ¬â„¢s exciting and you want to tell other people about it, without over selling it and hyping the book too much. Exposed was one of my gems.Ã¢â ¬Â• (Reviews In a Pinch blog 2015-06-05)"Large text and middle grade reading levels make the [Retribution] series accessible to struggling teen readers." (School Library Journal 2015-10-01)"A solid storyline." (Resource Links 2015-10-01)"A short novel that nevertheless packs a lot of punch as thereÃ¢â ¬â„¢s plenty of action and suspense within... Highly Recommended." (CM Magazine 2015-11-06)"These

interconnected narratives are page-turning reads, offering adventure, intrigue, and satisfying retribution. Jace, Josie, and Raven are fiercely independent, clever, and intelligent protagonists; each has a rich backstory and an engaging narrative voice that hooks readers from the beginning. Each compact narrative can stand on its own but also incorporates references to the other two, lending a multiple-perspective aspect to the story as a whole. While each book offers a quick resolution, readers will connect quickly to the characters and find their plights both compelling and entertaining. The series tackles such topics as truth and justice, integrity and honesty, and survival. It will appeal to a wide range of readers, including reluctant readers who need a quick hook." (VOYA 2015-12-01)"A fast-paced and plot-driven novel, Exposed drops readers directly into the story's action...Part of a trilogy including Natasha Deen's Burned and Sigmund Brouwer's Unleashed , which feature, respectively, Josie and Jace, Raven's sidekicks in this book...Together the trio comprises a fascinating band of misfits." (Quill & Quire 2015-10-01)"This series does not back away from divisive social issues...Those who enjoy gritty realistic fiction will find these books gripping. Recommended." (School Library Connection 2016-03-01)"This strong entry into the high/low Retribution trilogy zings by with the pace of a parkour freerunner...[Graves delivers a] pulse-racing adrenaline rush." (Booklist 2016-03-01)

Raven will have to learn to fly if she is to survive.

Thank you for choosing me on the Goodreads giveaway winning list. Sorry late on getting a review done on it. Won it Oct 10th 2015It was a very good story. It pulled me in til the end. I would have liked a little more detail on somethings. I also didn't fully connect to the characters in the book. I think that some emotions were missing is why it didn't make me feel fully connected to them. But it was still worth the time to read it. I am also looking to reading more of Judith Graves books.
