Customer Reviews

The Vamps is a four-piece British band. Brad Simpson, James McVey, Tristan Evans and Connor Ball started performing together on YouTube in late 2012, and have never looked back. Since then, they have released two albums, supported the likes of Taylor Swift and Selena Gomez, and toured the world.

It is the ideal book for anyone in the Vamily, with each of the four members telling their stories about their lives, from childhood to the present day, and how they all got together to create the band. Full color, high def pictures by their inside professional photographer. The pages are glossy.
