Synopsis

Now in its Fifth Edition, Community Health Education: Settings, Roles, and Skills has been a mainstay in public health education and has been used to train thousands in the field. This thorough revision features all new information on the latest concepts and strategies in health education. Each chapter will include a new section Ã¢â ¬Å“Field Site ExperiencesÃ¢â ¬Â•. These examples will provide real life experiences matching the chapter content material helping students connect theory with practice. Tips from Ã¢â ¬Å“Practicing Health EducatorsÃ¢â ¬Â• will also provide working examples from people with years of field experience. New public health challenges such as emergency response, Avian Flu, SARS, and designer drugs of abuse, have been woven into appropriate chapter materials. An all new chapter on creativity has also been added.

Customer Reviews

This was for a class, and it arrived in the shape that was described. It also arrived in a timely manner. I think it is very well lain out and organized in a way that makes it easy to find information that you are looking for.

GREAT!

Very nice.Fast delivery.

Gray text for my classes
