Synopsis

Bailee Kate and her dog Thor love to play soccer, but Thor always gets in the way. Coach says the team shouldn’t act like Thor because it is puppy guarding. See if they have learned as they take on the fierce Yellow Dragons. This fully illustrated book is intended to help youth soccer players break the bee-swarming kick and pack-chase mentality as children begin to comprehend spacial relationships to one another on the field of play. iPlaySoccer! Books are instructional stories focused on advancing youth player development. The illustrated children’s books teach foundational concepts and vocabulary in a fun way that allows children, parents and coaches to develop together in the beautiful game. The series is not intended to replace the instruction of a coach or the learning derived from actual play. Rather, the purpose of these books is to assist the player in mastering concepts as the game becomes more complex. To that end, no matter the level of play, the coach is the teacher, the player is the student, and this series is merely the provider of fun educational tools designed to reinforce what should be learned on the training ground.

Lindsay Little was a decorated student athlete and thrived in the role of creative midfielder. She helped her NJCAA teams play for two consecutive National Championship finals. Due to her passion for the game and tenacity for training she excelled at the club, Olympic Development Program, High School, NJCAA, & NCAA Division I levels. Seth Little obtained his undergraduate degree in Physical Education, dual majoring in Coaching and Spanish. His passion lies in the theory

of sport, tactics and strategy. He excelled at gridiron football, achieving all-American status before injuries decimated his career.

This book is for beginner soccer players around 4 - 6 years old, in my opinion. It's good introduction to soccer, and emphasizes not bunching up and playing in a scrum, but instead to open up and allow movement.My son, who is 6 and played soccer since 3 in city leagues, likes the book because of the puppy. I've passed the book around to other kids on his U8 team, and they seem to like it as well.The reading level is a little above 6 years old, so I use it as a bedtime storybook. I would say an 8 year old could read it fine, but the book content might be a little young for 8.
