Customer Reviews

This entire series has been so intriguing. I loved this book, Prudence. She knew she was educated without having a formal education. She stuck by her convictions and the good Dr. came to realize

what an amazing women she is.

Sad to see this series end, I thoroughly enjoyed each book, the characters and the storyline. This last book I especially enjoyed, as it tied everything up for the perfect ending to the series. JudyE

Caroline Clemmons never fails to deliver quality stories, and Prudence , Bride Brigade #7, is no exception. Prudence is a poor young woman from a tiny village in Virginia. She has trained to be a natural healer and a midwife with her Grandmother. She is chosen by Lydia to go to Tarnation, Texas, as part of the "bride brigade" to meet eligible bachelors. Sophia, Lydia's friend has come to Richmond with her because she hopes her son, a local physician, will choose one of the young women whom Lydia has 'collected' to take home to Tarnation since there are no eligible ladies for the bachelors there. Trouble follows Prudence to Tarnation, Texas, and Dr Gaston, Sophie's son, is put off by Prudence being a healer using herbs and tinctures. Gold, robbers/kidnappers, arguments from stubborn bachelors are just some of the obstacles to happiness for Prudence and Lydia. As this is the final Bride Brigade novel, I was both thrilled and sad to see it available. This entire series was extremely enjoyable.

This marks the end of the bride brigade. It's sad to think we will miss tarnation but I hope we can visit in future. Amazing story of two individuals who has to overcome their beliefs and accept each other and love in the end!

Interesting read about differences of opinion concerning medicine. Yet when it was necessary they work together in a town where everyone helped and nurtured each other .

Great storyline as always. Couldn't put it down. Loved it as much as I have enjoyed the whole series. Please continue with the new characters. Thanks again.

A wonderful ending to a great series. I love each of the books in this series and would recommend them to anyone looking for a well-written historical romance. Each of the young ladies have their own unique personalities and story lines. Don't miss this book or the series.

I' ve read every book in the series and enjoyed each one..It WA's refreshing not reading about the sexual encounters of the characters. One of the books included a love scene tastefully done.O
