"Top 10" sexuality resource -- ECPA stats data, 05/03 --This text refers to an out of print or unavailable edition of this title.

Really great set. I used it with my son and my wife used it with our daughter as a really easy way to talk to them about sex, purity, and how to think about the opposite sex. The way they set it up as a weekend getaway with your child is a great idea.

The songs the use for learning the memory verses need some updating, but the content was great. Everything is well laid out and it led to some great discussions with my son.

Highly recommend this set to all parents

This set contains all of the information you need to talk to your pre-teens about the reality of what's ahead in their lives. The Raineys thought of everything! I want all of my friends and family to use the Passport to Purity!

See my review on Passport2Purity Getaway Kit by FamilyLife. I should have put it here. I highly recommend this set! A great experience for my daughter and myself. I thank God for the help it provided.

perfect

This is a wonderful information pack. I like the Godly teaching, but they did not avoid the hard topics. A very special time with my daughter.

Highly recommend
