Synopsis

My body is crying out for more. I'll do anything to feel that good again...Unlike most of her friends, Mallory was a good, straight-laced girl who never experimented with drugs and alcohol. When she busts the nerdy guy living under her roof and confiscates his stash, she has no idea that he can use hypnotic technology to turn her from a prude into a naughty addict!Soon Mallory is buying cigarettes and alcohol without thinking, getting high in ways she never has before. Every sip makes her hornier, every puff makes the need to touch herself more intense - and when she realizes only that guy can give her the pure pleasure she craves, she'll throw away her taboos and end up addicted to HIM and his manly essence as well!Hardcore Hypno is an ongoing series of short, one-off stories by Neil Bimbeau that explore the darker side of hypnosis and mind control. They're a bit more twisted than his usual work, containing themes of: domination and control, hypnosis, mind control, bimbofication, reluctant transformation, alteration of memories and mf and mff pairings!
