No disrespect to cereal and milk, even bacon and eggs, but this book packed full of Ye, with a tall glass of Arturo Torres' art is a REAL balanced breakfast. I'm glad I decided to make this purchase. My coworkers see me coloring, developing art and emanating greatness and know that no slander shall prosper against me, r.a.p., or the FOH army. I'm on an ultralight beam.

Amazing

Very inspired by this coloring book. Also, I had crippling knee pain and it is now gone. Thank you Kanye.

I like to color in a little Kanye first thing when I wake up and last thing before I sleep

Best gift ever. Hilarious and beautifully drawn. A really smart take on Kanye and social media too.Kayne would approve.
