Shula Gilboa was born and lives in Israel. She has taught Hebrew as a second language internationally.

This an excellent self-study course for a beginner. It’s only shortcoming is the small size of the Hebrew fonts and for that I rated it 4 star. A largersize font would facilitate reading the lesson material.

Good but doent work for me

This review should be more positive because the course is well-organized and the content useful BUT the book should have been proofed more carefully. There are many errors, for example where the hebrew and the transliteration don’t match.
