Synopsis

NOTE: You are purchasing a standalone product; MasteringGeography does not come packaged with this content. If you would like to purchase both the physical text and MasteringGeography search for ISBN-10:Ã Â 0321984234/ISBN-13:Ã Â 9780321984234 . That package includes ISBN-10:Ã Â 0321984242/ISBN-13: 9780321984241 and ISBN-10:Ã Â 0321984706/ISBN-13:Ã Â 9780321984708 . For courses in Human Geography. Ã Â A distinctly modern look at human geography Described as Ã¢â ¬Å“fresh, innovative, and intelligent,Ã¢â ¬Â• Human Geography: Places and Regions in Global Context is acclaimed for its global approach, conceptual rigor, engaging real-world applications, and outstanding visual program. Knox and Marston foster awareness of current issues and developing trends from a geographic perspective, and provide a solid foundation in the fundamentals of human geography. The authors integrate compelling local, regional, and global viewpoints to give meaning to people and places. By providing access to the latest ideas, concepts, and theories, the text deepens studentsÃ¢â ¬â„¢ understanding of the interdependence of places and regions in a globalizing world. The Seventh Edition extends Knox/MarstonÃ¢â ¬â„¢s modern approach, integrating new technology as well as new visual and thematic features relevant to human geography today. Also available with MasteringGeography Ã¢â Â¢ MasteringGeography is an online homework, tutorial, and assessment program designed to work with Human Geography to engage students and improve results. Interactive, self-paced activities provide individualized coaching to keep students on track. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts.

Customer Reviews

Paul Knox received his Ph.D. in Geography from the University of Sheffield, England. After teaching in the United Kingdom for several years, he moved to the United States to take a position as professor of urban affairs and planning at Virginia Tech. His teaching centers on urban and regional development, with an emphasis on comparative study. He has written several books on aspects of economic geography, social geography, and urbanization, and he serves on the editorial board of several scientific journals. In 1996 he was appointed to the position of University Distinguished Professor at Virginia Tech, where he currently serves as Senior Fellow for International Advancement, and International Director of the Metropolitan Institute. Paul is the author or co-author of numerous books, including PearsonÃ¢â ¬â„¢s Urbanization 3rd edition and World Regions in Global Context. Ã Â Sallie Marston received her Ph.D. in Geography from the University of Colorado, Boulder. She has been a faculty member at the University of Arizona since 1986. Her teaching focuses on the political and cultural aspects of social life, with particular emphasis on sociospatial theory. She is the recipient of the College of Social and Behavioral Sciences Outstanding Teaching Award. Her teaching focuses on culture, politics, globalization, and methods. She is the author of over 70 journal articles, book chapters, and books and serves on the editorial board of several scientific journals. She is currently a professor in the School of Geography and Development at the University of Arizona. Sallie and Paul is coauthor PearsonÃ¢â ¬â„¢s introductory world regional geography textbook, World Regions in Global Context. In 2013 the Association of American Geographers recognized Sallie with a lifetime achievement award.

the book came in a poor condition on the out side but the inside was clean and like it was unused. the price that my book store had this book at was way too much for a class I will only take once in life so I couldn’t make a decision on buying that book so I bought it from here and used it for the entire quarter. I ended up getting a 4.0 gpa in class because the condition of the book was nice and I was able to read things clearly, I mean I did study and got 4.0 not that this book will magically get you a 4.0 gpa. don’t expect that and do study. but my point is that the book was great, no pages were missing and all was in place. great condition

The book was as requested and in very good condition.

Very good author for Human Geography.

I had to get this book for class and honestly, it's the hardest textbook I've ever had to read. It's very dense and my instructor even remarked that he had a really hard time getting through it. Not sure why it was used, but be prepared to take a lot of notes, dissect paragraphs, and be thrown off by the poorly displayed graphs, maps, and diagrams that were often skewed.

Excellent price. A little banged up but to be expected with the price. But hey its a school book as long as all the pages are in there that's all I need!

This was a cool book. I learned alot from it. It isn't required on my geography class but my professor was confusing at time. It was clear and knoledgable. My professor was better though

One of the few textbooks I actually enjoyed. It really got me excited about being a geography major.

It came quick and did the job just fine. Returning was a breeze as well.
