Honestly, anyone who would love a portable cheat sheet to help make dining choices in late 2014 in Albuquerque and beyond. Coffee lovers, chile lovers, steak lovers, veggie lovers Ã¢â ¬â œ everyone is welcome to use this tool as a trusted assistant when figuring out your next tasty vittles. You donÃ¢â ¬â„¢t have to be a visitor to the enchanting land of New Mexico Ã¢â ¬â œ locals will benefit from this guide, too. Add it to your arsenal along with any lists published in local media, your smart phone, and your nose. When finding eats your eyes and nose are your best friends Ã¢â ¬â œ you might spot something completely overlooked by all of the recommendation engines and it will be the best X youÃ¢â ¬â„¢ve had all year. ThatÃ¢â ¬â„¢s called chowhounding and I love doing it, every where I go.ThereÃ¢â ¬â„¢s a nice movement afoot to encourage folks to choose local businesses whenever they have a choice Ã¢â ¬â œ I encourage you to check out the hub website for info about local shops: http://www.keepitquerque.org/ Welcome to Albuquerque. Take some photos,

take your time, and relax Ã¢â ¬â œ weÃ¢â ¬â„¢re a good bunch of folks here and we love our chile. You will, too. INTRODUCTION, HOW TO USE THIS GUIDE, OTHER RESOURCESThis guide is a collection of Eleven Top 6 lists (because top 10 is just so . . . average), broken out into themes. Ready for breakfast? Head over to the Top 6 A.M. section. And so it goes. YouÃ¢â ¬â„¢ll be in the know about 66 amazing spots in total (in homage to Route 66), near and not-so-near for all of your cravings. Each list is in alphabetical order, not any kind of ranking. Just so you know.Each list starts with an overview of the section or description of why the section is needed. And then, the actual list follows with a brief description of each place, their hours and contact info. Again, they are in alphabetical order Ã¢â ¬â œ no rankings implied. Just to make it on these lists a spot has got to be pretty darn good!

This short guide provides a quick and concise look at where to eat while in Albuquerque for the balloon fiesta. While it will benefit newcomers and first time visitors to Albuquerque the most, I've lived in Albuquerque for more than 20 years and so while the majority of the restaurants were well

known to me, I still found a couple of gems in the guide that I wasn't previously aware ofBut if you're new to ABQ the low cost of the guide pretty much pays for itself in time saved and potential bad meals avoided.While a few of the recommendations aren't in my personal top picks, every single restaurant in the guide is somewhere I'd feel comfortable sending my own family or good friends when visiting Albuquerque, and the summaries in the guide match up with my own experience. Grab the ebook and keep it on your phone or tablet and you can't go wrong.Andrea's other book "Food Lovers' Guide to Santa Fe, Albuquerque & Taos" covers pretty much everything worth eating in New Mexico and is also worth picking up if you live or travel in New Mexico and like a good meal.

This is a great companion to any visit to Albuquerque. The writer brings the variety of Albuquerque dining alive in Duke City Foodie. If you are like me and steer away from the chain restaurants, this book will provide you with the local alternatives in Albuquerque which can be quite diverse and excellent. New Mexico dining is much more than just red or green chiles on everything although, I must admit, these do help to provide an excellent variation for a dining experience. Andrea Feucht has created an easy to use book that will bring you a better experience in Albuquerque than you could find on your own.

I am super excited about this special Balloon Fiesta Foodie addition. As a local, the Food Lover's Guide to Santa Fe, Albuquerque & Taos is a trusty culinary companion that I refer to often. Andrea not only has a handle on where the tastiest cup of coffee can be consumed, but also dishes about local favorites and foodie trends with expertise and humor. Enhance your Balloon Fiesta 2014 experience and make eatin' easy with this great guide.
