I love the Hunter the Reckoning setting, and since it will be a few years before they round to a 20th Anniversary version of this one, I recommend buying the original for Classic World of Darkness games.

Great book. Fast shipping.

This book is amazing!!! One of my favorite gaming worlds and systems!

If you’re interested in playing a vampire hunter, or werewolf hunter... this is a great game to do it based on a storytelling aspect rather than dice rolls.Also, it’s set up to play as a kind of survival-horror game better than anything else; it doesn’t have the dice rolling of the old Dark Conspiracy game, but you can definitely do the story well with the character outlines provided.The book is well layed out and easy (and fun) to read, with more than a few inspiring sections for a beginning gamemaster. I do recommend picking up the player’s guide with it, though, especially if your players are veterans of other RPG’s.

Classic storytelling guide for tales of desperation and hope. Highly recommended.

Was as promised. Very happy.

Recebi a encomenda antes do que previa (hoje 30/07). Livro em ÃƒÂ timo estado, falta apenas o cheiro de novo. NÃƒÆ’Ã Â£o tenho do que reclamar. Muito bom. Sem nenhum dano ou coisa semelhante. Tempo de espera: 1 mÃƒÆ’Ã Âªs e 10 dias para entrega em SÃƒÆ’Ã Â£o Paulo.

I’m very happy with this book, it is in even better condition than was to be expected. They said to expect writing, highlighting, and some damaged pages; there was only some wear and tear on the binding. It arrived almost two weeks ahead of schedule.And only cost $20, that’s how much whitewolf wanted for the PDF, and have been unable to find other copies at this price
