...a handy, colorful book that gives a quick look at annuals, perennials, trees and shrubs, roses, vines, bulbs, herbs and more. --The Flint Journal, Flint, MI

TIM WOOD is product development manager for a national wholesale propagation nursery in Grand Haven, Michigan. He is a third-generation horticulturist with a master's degree in ornamental horticulture. Tim's articles and photographs have appeared in Better Homes and Gardens, Country Living Gardener, Midwest Living, Garden Center magazine and American Nurseryman. He speaks regularly to nursery and horticulture organizations across the United States. ALISON BECK is a seasoned gardening writer, with 38 books published to date. She came to the task well trained, with a university degree in Creative Writing and a diploma in horticultural technology. The English-born Beck has been gardening since she was a child. Her writing reflects a talent for practical advice and a passion for gardening.

Very well written. Informative with beautiful illustrations. Happy to add this gardening book to my collection.

Very nice....lots of color pictures and info on growing plants in Michigan.

This book is perfect for the beginning Michigan gardner. The pictures are great and the information helpful. Please do another book with more choices of Michigan growable plants.

a very handy book that gets used quite a lot. Well illustrated and very useful for our area.Would recommend.
