Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I absolutely love this book! As a church pianist, I’m always on the search for a book of practical, easy to learn but pretty arrangements for flute.This book is "must buy" for church pianists that accompany violin or flute soloists!One of my favorite pieces in this book is "Brethren We Have Met to Worship". It’s VERY peppy :)

love the familiar songs in this book its’s great to play in church and also to use the music dvd as an accompanyment when we don’t have a pianist! like it alot!

Daughter loves the book and it is easy to play. She only has been playing flute for about a year. She was able to play all the songs in it after just a couple of attempts. Good beginner book!

I bought this for my daughter for Christmas and she likes it!

I use this book all the time in church! The accompaniment CD is very well done, and I was glad to hear that is was real instruments!

It is so nice to listen to my daughter practice her music using this book. Because I know most of the songs, I can tell her when she plays a wrong note!

Good song book

Love it! Had this book growing up but I lost it. So glad to find it on here! Thank you!
