Customer Reviews

#BeUnstoppable with Nelms/SucherÃƒÂ¢Ã â ¬Ã â„¢s Nutrition Therapy and Pathophysiology View larger View larger View larger View larger How nutrition & therapies address the causes of symptoms. Illustrations enhance your understanding of disease pathophysiology and progression (congestive heart failure, irritable bowel syndrome, cell mitosis in cancer, and metabolic blocks). Real-life perspectives on working with patients. Practitioner Interviews provide real-life perspectives on working with patients in different specializations, as well as advice for dietetic interns. A tool for now & in your future. End-of-chapter tables describing complementary and alternative therapies provide a handy reference for the intern or practitioner. Chapter Review Questions prepare you for the exam. Chapter Review Questions review key concepts in a discussion format; their answers are located in the appendix for easy reference.

Marcia Nahikian Nelms is currently a professor of clinical health and rehabilitation sciences and director of the dietetic internship in the Division of Medical Dietetics-College of Medicine at Ohio

State University and a registered dietician. She has practiced as a dietician and public health nutritionist for over 25 years. Her clinical expertise centers on the development and practice of evidence-based nutrition therapy for a variety of conditions including diabetes, gastrointestinal diseases, and hematology-oncology for both pediatric and adult populations, as well as the development of alternative teaching environments for students receiving their clinical training. She is the lead author of Nutrition Therapy and Pathophysiology (2016) and Medical Nutrition Therapy: A Case Study Approach (2014), both published by Cengage Learning. In addition, she has contributed to the Academy of Nutrition and Dietetics Nutrition Care Manual sections on gastrointestinal disorders and is the author of numerous peer-reviewed journal articles and chapters for other texts. Dr. Nahikian Nelms has received the Governor's Award for Outstanding Teaching for the State of Missouri, the award for Outstanding Dietetic Educator in Missouri and Ohio, and the PRIDE award from Southeast Missouri State University in recognition of her teaching.Dr. Sucher received her bachelor's and master's degrees from the University of California and her ScD from Boston University Medical Center in Nutritional Science. She recently retired from San Jose State University, where she taught medical nutrition therapy and was the dietetic internship director for 20 years. in addition to her research interest in nutrition therapy, she is also a recognized authority on how diet, health, and disease are affected by culture/ethnicity and religion. Dr. Sucher has published newsletters, numerous articles, and textbooks on this subject. She is also the coauthor of Nutrition Therapy and Pathophysiology, 3e (Cengage Learning 2016) and Food and Culture, 6e (Cengage Learning 2012).

Good quality book. I even decided to extend the rental.

This is a great and informational text. It has everything I need and more!

very useful book!

I love the book! Fast shipping.

Great for class. On time delivery. Super informational. Easy to use

Super Fast. No problem. Very nice!!!

Great textbook.

A+
