Synopsis

This groundbreaking text presents a framework for understanding how the lives of all people are shaped by gender. Instead of presenting gender as a collection of individual traits, Transformations presents gender as a social system that is used to categorize people and is linked to power and status. Mary Crawford's readable and lively style, and her presentation of a balance of classic and cutting-edge research, provide an engaging overview of the psychology of women and gender.Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill ConnectÃ Â® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:Ã¢â ¬Â¢ SmartBookÃ Â® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.Ã¢â ¬Â¢ Access to your instructorÃ¢â ¬â„¢s homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.Ã¢â ¬Â¢ Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.Ã¢â ¬Â¢ The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.Complete system requirements to use Connect can be found here: http://www.mheducation.com/highered/platforms/connect/training-support-students.html

Customer Reviews

Mary Crawford is Professor of Psychology and Director of the WomenÃ¢â ¬â„¢s Studies Program at the University of Connecticut. She has taught the psychology of women and gender for twenty-five years, most of that time at West Chester University of Pennsylvania, where she earned the TrusteeÃ¢â ¬â„¢s Achievement Award for lifetime professional accomplishment. She has also held the Jane W. Irwin Chair in WomenÃ¢â ¬â„¢s Studies at Hamilton College, served as Distinguished Visiting Teacher/Scholar at Trenton State College at The College of New Jersey, and directed the graduate program in womenÃ¢â ¬â„¢s studies at the University of South Carolina. She received her Ph.D. in experimental psychology from the University of Delaware. Professor Crawford is a consulting editor of Psychology of Women Quarterly, an associate editor of Feminism and Psychology, and a Fellow of both the American Psychological Society and the American Psychological Association. Mary Crawford has spoken and written about womenÃ¢â ¬â„¢s studies issues for audiences as diverse as the British Psychological Society, Ms. Magazine, and the Oprah Winfrey show. Works she has authored or edited include: Gender and Thought: Psychological Perspectives (1989); Talking Difference: On Gender and Language (1995); Gender Differences and Human Cognition (1997); Coming Into Her Own: Education Successes in Girls and Women (1999) and a special double issue of Psychology of Women Quarterly (1999) on innovative methods for feminist research.

Surprisingly an easy read, very short book once you get into it and it was quite interesting. This was probably my favorite textbook for a psychology class and it fit the course well

Needed it for a Psychology of Women course. It’s an interesting read and its wise to understand that it mainly points out inconsistencies between how men & women are treated. It is a feminist book and some of the examples seem outlandish although true. Read it in an open state of mind. Book was a little beat up but still in kinda good condition. Rental.

This is honestly the best text book I’ve ever had to use. It’s not a hard read and I don’t dread it like I do most text books. The information is really interesting and I’ve truly learned a lot. If this is your subject area I highly recommend buying instead of renting-it is definitely worth the money.

I rented this textbook because It was required for class, but I ended up loving the book! The author does a phenomenal job at keeping the reader engaged and describing topics in great detail. She also provides readers with various point of views, expert opinions and true stories.

i’m not a fan of reading textbooks unless I am forced to for classes, but I found this particular one interesting. So many things I learned about non verbal languages of dominance between genders

GREAT PRICE

its for scholl but over all a really great read and very informative on LGBT issues.

Great
