Casserole recipes are awesome foods and easy cook. I wish I could cook this all someday, but for now I will choose one to cook this 365 recipes that this book contains. Really mouth watering and

yummy, even if I'am just reading the ingredients and the instruction I am very excited and hungry at the same time. There are lot of choices you can get from this book and no worries for the instruction because its really easy to follow and has a clear step by step. Hot & Spicy Sauge Casserole is one of my favorite here. I cannot wait to cook this for our meal in my family.

In this book it is hard to find just what you are looking for but with so much to offer I'm sure it's in here but you be the judge great recipes and a lot of them. How great is that. Thank you and enjoy your meal and enjoy your day.

First of all there are no pictures in this book, a lot of the recipes are simple and nothing special, then there are some with strange ingredients and measurements in grams, not a lot of comfort classics like I expected a book with this many recipes to have.

A great book for new cooks just learning. You have everything from breakfast to lunch to dinner. Highly recommend this book.

OK cookbook if you want recipes that are a can of this, a can of that.....was looking for more from scratch recipes.

Very good recipes, easy to make and with everyday items

IÃƒÂ¢Ã â ¬Ã â„¢ve been curious on how casserole is created. The book revealed secrets in making the perfect casserole with instructions and ingredients provided. ThereÃƒÂ¢Ã â ¬Ã â„¢s various recipes to choose from. I suggest to put pictures in each recipe. I recommend this book to casserole recipe lovers.

The idea of this book is great! I like casseroles and I like the fact that there are so many options to make. I just need an interactive table of content, and a list of what kind of casseroles are in the book. With a kindle book, to find out what is in the book, I literaaly have to turn page by page, then bookmark the recipe if I want to revisit it. This is too much work for what was meant to be fast and easy.
