Customer Reviews

Dinner today is out of this great book. Thank you

Lots of great recipes - paired this with a casserole dish as a present.

LOTS of great, easy recipes for my casserole loving family!

Rather disappointing. Same old recipes as other books. I expected more from BH&G.

I LOVE this cookbook. It has so many casserole recipes. I used it frequently as a base for my meals and they tweak them a long the way. I don’t like to stick just with the recipe as I usually find them bland and needing more flavor. Make each recipe your own... :)

I love to cook and Casseroles are the things I like to cook the most. I love to have a lot of different choices of what to make for dinner. I would recommend this book to others.

nice book, lots of easy to follow recipes.

I’d been looking for a long lost casserole cookbook I had about 30 years ago. I thought this might be an updated version, but it was not. However, I have been enjoying the recipes from this book.
