Synopsis

As the Isle of Man celebrates 100 years of the greatest road race in the world, the TT has come full circle Ã¢â ¬â œ as the ultimate test of both motorcycle technology and the men who pit their sophisticated machines against the cruelest circuit on earth. During that century, horsepower has soared from a handful, when two-wheelers began racing over The Mountain, to over 200 today. In this fully updated paperback edition, Mac McDiarmid tells the whole story Ã¢â ¬â œ history, circuits, machines, riders, races and risks, as well as the whole TT experience for armies of road race fans.

Customer Reviews

Author of Haynes' official biography of Joey Dunlop, photojournalist Mac McDiarmid has attended every TT since 1976.Ã Â A former TT racer, he edits the annual TT magazine Island Racer, and now lives on The Island.

This is the paperback pocket version of the coffee table hardcover (which has tons of great photos.) Very portable, too few photos of course. If a small treasury of TT facts, stories and articles is what you want, you won't do better. But, maybe spend a few bucks more for the much more impressive hardcover. It's worth it and is also available on .com.
