Customer Reviews

This is a pretty good book full of countless good jokes for the little ones! Some of the jokes are familiar, most are new. They’re generally all a play on words, so it’s great to discuss each joke, have the kid think through and understand the multiple meanings which helps them with language and vocabulary (plus, they have a lot of fun with it!). Everything is sorted by category, so it makes it really easy to follow a theme and progress through the book that way. For under $10, this is easily a no-brainer purchase!
