Synopsis

THE WONDER OF HIS LOVE is book one of the Christian romance novella series, FOSTERED BY LOVE by Kimberly Rae Jordan. Noella, Erin, Tennyson and Forrest might have aged out of the foster system, but they didn't age out of each other's lives. Follow these four foster siblings as they move past their troubled beginnings to find love.Please note: THE WONDER OF HIS LOVE is also part of the boxed set: CANDY CANE KISSES (ASIN: B01HPP4Q34)Noella Crawford watched as her mom fell in love over and over again, only to have the men take advantage of her love and leave her broke and brokenhearted. When her mom eventually abandons her daughter in order to keep the love of her latest man, Noella is determined to never repeat her mom's mistakes. After devoting several years of her life to university and then setting up a bakery business with her foster sister, Noella is finally ready to turn her attentions to a relationship. But she has two very high standards that any man she dates must meet: he must match or exceed her own financial position, and he must be driven to succeed in whatever field he has chosen for his career. And love is optional. If there is one person who might cause her to re-evaluate her requirements and the love part, however, it's Finlay Kinnaird. Except he's a mechanic. And lives in a trailer park. After leaving his Scottish home six years earlier, Finlay Kinnaird has floated around Canada for several years before finally putting down roots. In the year since Finn first met Noella through her foster brother, he has found himself drawn to her quiet, yet intense, personality. Even though it appears to be with a bit of reluctance, Noella agrees when Finn asks her out. Unfortunately, on their very first date, Finn discovers that they have very different views on love, marriage and finances, and he's not sure they can work past them. Compromise and trust are the only way things will work between them, but is that even possible when Finn longs for the type of relationship his parents have while Noella fears becoming her mother? As Christmas looms ahead of them, will they find a way to experience the wonder of love? Or will this be a season of heartache for them both?Stayed tuned for THE SWEETNESS OF HER LOVE the second Christian romance novella in the FOSTERED BY LOVE series coming in November 2016.If you enjoy heartwarming Christian romance with a focus on love, faith and family, be sure to check out these other books and series by Kimberly Rae Jordan.Other Christian romance series by Kimberly Rae Jordan:The Callaghans & McFaddensThe McKinleysBlackThorpe SecurityHome to CollingsworthThose Karlsson BoysOther Christian romance books by Kimberly Rae Jordan:Faith, Hope & LoveMarrying Kate

Customer Reviews

I love each story written by Ms zJordan. This was no exception.They are about real life situations, are believable, engaging and inspiring.What I also love is the fact that they are clean Christian romances.This story, the Wonder Of His Love was interesting, the heroines independence almost cost her a good man and I absolutely loved the twist revealed in the end.The lesson learnt ,you should not judge a book by it’s cover or in this case a man because of his profession.

Like this book, looking forward to the next one.

Thourhly enjoyed

I love her books. Clean and cute always. It is a great way to join faith in God with a love for reading!

I wished I had read this book before Book 2. I loved both books and can’t wait for Book 3??? I have

read and loved many of your books. Thank you for your Christian romances. Any plans to add to the Black Thorpe series?

I love her writing!!

There wasn’t enough plot to go along with their relationship. I wasn’t engaged with them as people or believe they were really in love. Too much of their story had "already happened".

The story was sweet and held my interest. Did not drag on about one subject like many other books. Great writing. Look forward to more books by this author.
