Synopsis

One of Charles Dickens’s most popular novels, Oliver Twist is the story of a young orphan who dares to say, "Please, sir, I want some more." After escaping from the dark and dismal workhouse where he was born, Oliver finds himself on the mean streets of Victorian-era London and is unwittingly recruited into a scabrous gang of scheming urchins. In this band of petty thieves, Oliver encounters the extraordinary and vibrant characters who have captured audiences’ imaginations for more than 150 years: the loathsome Fagin, the beautiful and tragic Nancy, the crafty Artful Dodger, and the terrifying Bill Sikes, perhaps one of the greatest villains of all time. Rife with Dickens’s disturbing descriptions of street life, the novel is buoyed by the purity of the orphan Oliver. Though he is treated with cruelty and surrounded by coarseness for most of his life, his pious innocence leads him at last to salvation-and the shocking discovery of his true identity.

Customer Reviews

"Narrator Simon Vance raises a banner that announces a once-in-a-lifetime performance that exquisitely matches narrator and text. Vance has a mellifluous English voice, an engaging tone, and marvelous diction." ---AudioFile

Charles Dickens (1812-1870) was the widely popular author of such classic novels as Oliver Twist, Nicholas Nickleby, The Old Curiosity Shop, A Christmas Carol, and David Copperfield.Simon Vance, a former BBC Radio presenter and newsreader, is a full-time actor who has appeared on

both stage and television. He has recorded over eight hundred audiobooks and has earned five coveted Audie Awards, and he has won fifty-seven Earphones Awards from AudioFile magazine, which has named him a Golden Voice.

Maybe it’s my fault. Maybe I should have noticed that little tiny yellow strip in the right top corner of the picture. But I didn’t, so silly me, I thought I was getting Audio CD’s, which is how the product is described in any number of places on the page (no mention of an e-book.So the product arrived, and I popped the first CD into my player: it didn’t play, and it wouldn’t eject. My CD player ate the CD.Turns out the first CD has an ebook on it, and needs to be played in a computer. The first CD also has the first part of the audio book on it...which I can’t play in my CD player. I had to call the CD player manufacturer to learn how to do the heimlich on my player so it would spit up the CD...and once I got it back, I shipped the whole thing back to , who thankfully returned my money in full.
