Customer Reviews

Excellent illustrations. These are classic stories with bright and vibrant illustrations. It is a favorite of my 5-year old (though admittedly, the stories are a bit beyond him yet).

Super cute pictures and stories. I bought this for my 7yr old who had several of the other Usborn illustrated stories. This one is a bit more mature than I thought it'd be. Longer stories and less pictures, so it doesn't hold his attention like the other ones do, but still a great book!

My 6 year old grandson loves the Usborne illustrated books. He's coming to visit soon and we have this waiting as a surprise for him. I know he'll be thrilled! Highly recommend.

Terrific book for children from 8 to preteen. Our granddaughter loves all of the Usborne books!

Great children's book in great condition!

Beautiful book and illustrations. Great quality. Great purchase.

My 7yo loves it, excited to sit and listen.

This was purchased for some of our Grandkids per their request. Loved it.
