My daughter is obsessed with Fancy Nancy, and was thrilled to find this in her Easter Basket. I have to admit, I'm pretty fond of Nancy too. The stories are entertaining, and great for building vocabulary.

Seeing this, the Easter Bunny could hardly resist popping a copy of this into my daughter Nancy's Easter basket. She really enjoyed this one. The story is a bit thin but it is the first Fancy Nancy lift-the-flap book as far as I know and that added a bit of fun. Certainly it's worth it around the holiday.

I bought this story book for my 7 year old granddaughter who loves the Fancy Nancy story books. Even though she can read, she loves to be read to which I have been doing for a long time. I would highly recommend this product to any young lady.

We are big fans of the Fancy Nancy collection. I really enjoy reading them as much as my daughter enjoys listening. I put this one in my daughters Easter basket this year and we read it that night. Happy kid and happy mom.

My almost 4 year old daughter adores Fancy Nancy. I bought her this book for Easter. It has flaps inside that you lift to reveal fanciness underneath. My daughter loves it. The story isn't very developed. It is just Fancy Nancy setting up for their Elegant Easter party. No real conclusion- they never actually have the party. My daughter didn't seem to notice. She was too busy seeing what fancy things she could find under the little flaps. On story alone, it would get 2 stars. It being Fancy Nancy and my daughter adoring it bumps the star rating up a bit.

I bought this for my six year old granddaughter who loves Fancy Nancy. She really enjoys reading it to herself and to us. But this book would be good for an age group younger (they'll enjoy you reading to them) or older than 6.

This was perfect for my daughter's Easter basket. The colors are beautiful and she loves pulling the tabs to see under them.!

Put in Easter basket for child that was familiar with Fancy Nancy books. Gift was well received.
