Perfect, exactly what I was looking for

My daughter has recently taken up guitar and had to have this as she’s a huge fan. Arrived quickly, packaged well, and is easy for her to perform. Thank you!

great

I love this song!!

This is actually more challenging than I was expecting it to be and I’m an intermediate level pianist... it seems like a good arrangement but it’s going to take some practice, so just be aware of that before you buy. I haven’t been able to play it well enough to know if I’ll love the arrangement or not

yet, haha. So far though, I like it.

This is prefect for anyone who wants to learn to sing or play the music of "I see Fire" song. And if you love singing, this is great for all you music vocal fanatic and music lovers alike.
