simple and to the point.... just saw the play... got "oddly" inspired to sing some of this or play it on the sax.... and some piano. Nothing crazy here, but exactly what you should get when you order "Easy Piano."

This was not exactly the Oklahoma music book that I was looking for - I wanted one with extra etudes - but it was everything that was promised and I enjoy it.

It's been fun tickling the keyboard through this selection of old favorites

Easy key arrangements!
