I am a big fan of the music of the 1930's and especially of Rodgers and Hart. This collection has all the favorites I was looking for along with many other beautiful tunes that I was unfamiliar with. It is a pleasure to play the new ones and discover something unknown. I also like the fact that they have all the original show introductions to the tunes, which are often as engaging as the songs themselves.

A wonderfully complete book, full of the songs of the greatest songwriting team ever. I wish it could have included every song they ever wrote, but all your favorites are here...and some you never knew existed.

Rodgers and Hart - A musical anthology is one of the best collections of songs and lyrics that I have ever found outside of a sheet music company. In it, I have found songs for which there is no readily available sheet music and the cost for the volume of music provided is pennies compared to other sources. No, folks, this is the GREATEST COLLECTION OF SONGS & LYRICS I've ever seen. Thank you, !

This is the most readily available anthology of the songs of Rodgers and Hart, and therefore it is a must for lovers of the Great American Songbook. All of Rodgers and Hart's hits are included, it seems to me, and the music lies decently on a piano music stand. My main complaint is that verses are not included in some of the songs (see, for example, all of the song selections from "On Your Toes"); this is a disappointment, since some of Rodgers's best music (and Hart's cheekiest lyrics) are contained in those verses.

Had tremendous success playing this music to accompany a fashion show. Large clear print, not too difficult, a joy to play. Mary G.

very pleased

A superb collection that contains many hard-to-find pieces. Rodgers & Hart were every bit as good as Rodgers & Hammerstein.

Great music to play. The book is has all the songs listed. I had bought another book from a different vendor that had only the first half of the list.
