Customer Reviews

YES! Absolutely perfect for my sister. She's been taking piano for a little over a year, and this was a great level to push her, yet something she could still enjoy

Great easy arrangements from a timeless classic. It was perfect for my second grader who has taken lessons for a couple of years.

I liked it

It came beautifully. It arrived just in time before my Voice Lesson. Thank you very much. I like the fact the sheet music has chords in them. The CD that it came in only plays instrumental with no lyrics.
