Synopsis

GED Preparation 2017: Study Guide Book & Test Prep for All Subjects on the GED Exam Developed for test takers trying to achieve a passing score on the GED test, this comprehensive study guide includes: Ã¢â ¬Â¢Quick Overview Ã¢â ¬Â¢Test-Taking Strategies Ã¢â ¬Â¢Introduction to the GED Ã¢â ¬Â¢Reasoning through Language Arts Ã¢â ¬Â¢Writing Ã¢â ¬Â¢Mathematical Reasoning Ã¢â ¬Â¢Science Ã¢â ¬Â¢Social Studies Ã¢â ¬Â¢Practice Questions Ã¢â ¬Â¢Detailed Answer Explanations Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the GED test. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not only understand the material that is being covered on the test, but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors. Anyone planning to take the GED test should take advantage of the review material, practice test questions, and test-taking strategies contained in this study guide.

Customer Reviews

The guide is very useful . I helped me understand the techniques on test taking.

I looked through this guide and felt the information was very clearly offered so those who need to study for their GED can do so. I got it because I have a family member who really needs to use this, but is intimidated by its size and the plethora of information inside that they think they need to completely know. I may have to go through it chapter by chapter with them so they can digest the information at a rate that is not intimidating.

This is a great guide. It breaks down each subject, explains things pretty good. Also includes practice tests and an answer guide also explaining how said answers are correct. Simple to understand not difficult at all. Covers all subjects on GED test. Highly recommended

Great useful info in this book. I am getting ready/looking through this book maybe one day once I'm fully ready I'll go and take the test once all my kids are in school. Mean while I'm just doing this for fun learning something new.

So far this has been a great tool to use in prepping for a GED exam. I would recommend it to anyone getting ready to take their exam.

Great book. Awesome study guide for anyone taking their GED test.

great...
