Synopsis

What does it mean to be a girl who follows God? That’s the question bestselling author and teen mentor Hayley DiMarco helped teens answer in the bestseller God Girl. And now in this 365-day devotional, she guides girls ages 14-18 on a daily journey of learning more about who God is and who he created them to be.Each one-page devo contains a scripture verse of the day along with a brief reflection that unpacks spiritual truths about becoming a woman of God. And in each entry Hayley challenges girls to choose God’s way in every area of their life--with their thoughts, actions, and daily choices about everything from friends and fashion to faith.

My 14 year old daughter hates reading. She just does. She needs the organization of a daily devotion and reminders from her loving mother to do it:) so far, so good. She is enjoying them and even applying them and discussing them with said loving mother:):):)

I highy recommend this book for any female and male. It helps you understand all your whysss and helps you to trust in God. It made me feel free from worries.Ecclesiastes 6:10Everything has already been decided. It was known long ago what each person would be. So there's no use arguing with God about your destiny.

I purchased this devotional for two teenage girls (12 & 14). They both have shared with me that they love it and one says she's been reading it every day. I would recommend this product to teen girls between 12-16 looking for a little more out of their Bible reading experience.

Love this book. Someday I want to hand it down to my daughter.

quick reviews, still going through the book with my daughter

really uplifting and wonderful life lessons and guidelines. I love this devotional. I got it when I was 21 but it could definitely be for a 13/16 year old and up

This book really speaks to women of all ages. The lessons are thoughtful and make you think about your actions and your relationship with God. I usually read three or four a day and my teen daughter is enjoying this book as well.

Great gift for my Granddaughter
